Come, sisters, let us be in earnest about this work, and roll in the dollars for Ashland College. Let us all put our shoulders to the wheel and work together. I will enclose one dollar.

SUSAN EDMONDS.

DEAR EVANGELIST:—Permit us through your columns to acknowledge the receipt of a donation of ninety dollars in case given by the dear brethren and sisters of the Homer Church, to their pastor, ten dollars of which were given by the ladies' benevolent society. What a splendid gift! How it cheers the heart of a poor preacher and his companion who are struggling to pay for a home! Words cannot express our feelings. Dear brethren and sisters be assured we appreciate your noble gift. We pray God to bless you the more abundantly so that you may lose nothing by your liberality. And may He give you a home with the sanctified.

H. S. JACOBS.
L. E. JACOBS.

Homer, Ohio, March 31st.

Every one should give something toward the support of the College. The prosperity of the church depends largely upon its Sunday Schools and other Educational institutions.

The ability to do good, to promulgate the Gospel and save souls from eternal ruin, is much enhanced by Christian education, and unless we lend our help and support to the institution we already have, the success of the Brethren Church will be greatly impeded. Give something towards this noble institution of the church and those who are thus benefited by your liberality will rise up in the future and bless you.

Help, oh help! Save Ashland College!
Every friend of truth and knowledge.
Now's "the time." O Brother, Sister, true—
Right and justice to pursue,—
Yearning hearts will not prevail; *help alone* can now *avail*.
"Hope defered, maketh sick the heart,"
Oh let not *this, too*, be our leader's part.
Long and nobly has he fought,
Sought his ease and comfort not,
In the sunshine and the storm,
Never faltering, oft sad and worn.
God of mercy and of might, Raise we ask of thee,
Earnest hearts, and *willing* hands—
Raise *the money*; then can *he* proclaim, "Ashland College now is free."

A SISTER.

P. S. I send a sister's mite, (one dollar) for the College Fund.

Terra Alta, W. Va., March 30.

To-day I returned home from Clifton Mills, W. Va., where I had been to preach and assist the Brethren in effecting an organization which is to be known as the "Brethren Church at Clifton Mills." The following named brethren are the officers chosen: W. M. Ridenour and Samuel Herader, deacons; Chas. Smith, clerk; Freeman Maust, treasurer. We are hopeful for the success of the good cause in their community.

A REMARKABLE CASE.

Madisonville is one of the most flourishing of the many suburban towns of Cincinnati. It is situated about fourteen miles from the city on the line of the Cincinnati, Washington and Baltimore Railroad. Our correspondent learning of the severe case of Mrs. John G. Lindsley and her sudden cure, called on that lady at her home in Madisonville. Said Mrs. Lindsley:

"Words would scarcely express the torture I endured. The rheumatism I had was in no particular part of the body, but was all through my system, prostrating me so that I was entirely helpless, not being able to feed myself. My physician, who is one that we have employed in our family for many years, gave me no encouragement whatever. He said there was no use of my taking medicine, as I never would be any better, but might live in this terrible condition for many years. About this time my son was recommended to get some Athlophoros for me by Charles H. Howard, conductor on the Cincinnati, Washington and Baltimore Railroad. Mr. Howard said it was an excellent medicine, as he had used it himself. On the strength of this recommendation my son brought some home for me to try, but as I had already used so many different kinds of medicines without ever getting relief I was somewhat reluctant about taking any more, thinking they were all alike—no good. But such was not the case with Athlophoros. After taking only part of a bottle my pain ceased and I was able to walk about. The change was so sudden and so miraculous that I could scarcely realize that I was getting well. I used about eight bottles, and since then I have not suffered any to speak of."

At the general store of Aikens & Hensel Mr. E. A. Hensel said:

"I have been subject to neuralgia of the stomach for many years. To say I have used many kinds of medicines without any benefit would be a very moderate way to put it, but I can say that I would not take $1,000 for what two and one-half bottles of Athlophoros has done for me."

"Then it has cured you of the neuralgia of the stomach?"

"Yes; and we now sell it in the store."

"Having used it so satisfactorily yourself you no doubt sell considerable on your own recommendation?"

"Yes; we do. I make it a point to say a good word for Athlophoros whenever I can, as it has done for me what all other medicines and doctors combined had failed to accomplish."

Charles H. Howard, conductor on the accommodation train of the Cincinnati, Washington and Baltimore Railroad, and a resident of Chillicothe, Ohio, is well-known to the patrons of that road. Many of his friends and acquaintances will doubtless remember of his being afflicted with rheumatism so that for five and a half months he was laid up and detained from his duties as conductor. Said Mr. Howard to one of our correspondents: "Athlophoros is the medicine that brought me back to my duties, after being laid up so many months. After I had used about every kind of remedy I ever heard of I commenced with Athlophoros. I took my first dose on Friday. On the following Monday I dispensed with cane and went to work, where I have been without losing any time ever since. I consider it an excellent medicine for rheumatism and would advise any one so afflicted to give it a trial."

If you cannot get ATHLOPHOROS of your druggist, we will send it express paid, on receipt of regular price—one dollar per bottle. We prefer that you buy it from your druggist, but if he hasn't it, do not be persuaded to try something else, but order at once from us, as directed.

USE
HALL'S Vegetable Sicilian HAIR RENEWER.

It is a medicinal preparation, and, at the same time, an elegant and cleanly toilet article. Its action upon the scalp is healthful. It nourishes the glands which support the hair, and causes thin, dry hair to become thick, soft, and vigorous. It restores the color of youth to locks which have become faded with age or disease; and relieves and cures itching, caused by humors of the scalp. Dr. George Gray, Nashua, N. H., writes: "It gives me pleasure to testify to the wonderful effects produced by Hall's Vegetable Sicilian Hair Renewer, as observed by me in very many cases. IT WILL CERTAINLY RESTORE THE HAIR TO ITS ORIGINAL COLOR. It cleanses the head of dandruff, and leaves the hair soft, glossy, and beautiful." F. T. Sandhein, 1010 Spruce st., Philadelphia, Pa., writes: "After unavailingly trying a number of preparations to prevent my hair from falling out, and, realizing that I was fast becoming bald, I tried, as a last resort, Hall's Hair Renewer. I have used only four bottles of the Renewer, and am perfectly satisfied that it is the best preparation in the market for checking the falling out of hair, invigorating the hair roots, and promoting a new growth."

Buckingham's Dye FOR THE WHISKERS

Sorts.

Sixteen years ago 5-year-old Johnny Foreman of Reading swallowed one of the five-cornered little playthings the children call "jackstones." Convulsions and partial paralysis followed, and today the boy—a man in years—is a mental wreck, not knowing even his own name. Physicians say that the "jack" is probably pressing against a nerve somewhere in his body.

Ayer's Sarsaparilla is a highly concentrated extract of Sarsaparilla and other blood purifying roots, combined with Iodide of Potassium and Iron. Its control over scrofulous diseases is unequalled by any other medicine.

A Washington correspondent writes that the false teeth that are responsible for the peculiar expression seen in portraits of George Washington are in the Baltimore College of Dentistry. The lower plate is carved out of one piece of ivory, teeth and all. The upper plate was carved from ivory, as near like a plaster cast of the mouth as possible, and the teeth also of ivory, were riveted on. The upper plate split after it had been worn awhile, and the pieces were fastened together by two thin strips of iron riveted to the plate.

Backache, stitches in the side, inflamation and soreness of the bowels, are symptoms of a disordered state of the digestive and assimilative organs, which can be corrected by the use of Ayer's Cathartic Pills. As dinner pills, and aids to digestion, they have no equal. They cure constipation.

When the Rev. Phillips Brooks of Boston was travelling in Norway he lost a pair of field glasses which he had bought when he lived in Philadelphia, and which were marked with his name and address, "2,004 Chestnut street," no city being named. The Norwegian who found the glasses sent them to "Mr. Brooks, 2,004 Chestnut street, U. S. A.," and the occupant of 2,004 sent them to Mr. Brooks in Boston. All of which proves that the honest men are not all dead.
